Obama Will Soon Fall Sick – TB Joshua

Nigerian Prophet T.B. Joshua has sounded a prophetic alarm in his church on Sunday, stating that a “very big ‘bigshot’” in Nigeria would soon be attacked and killed.

“Last time, I said we should pray for Nigerian ‘bigshots’ – because I am seeing these people begin to target them,” the cleric stated on Sunday 31st August 2014, reminding people of the message he had previously given early in May that Boko Haram’s attention would turn to target the ‘political class’.

He called for prayer against an impending ‘attack’ against a ‘very big bigshot’ in a service broadcast live on Emmanuel TV. “It will result to death,” Joshua plainly stated. “They are just looking for an avenue that will cause crisis and conflict in the region... When it happens, it will cause political crisis.”

Joshua continued by prophesying an imminent plane crash in the unstable region near Russia and Ukraine. “Commercial planes should not pass there because I am seeing a plane full of passenger’s crash in that region. It will not be between Ukraine and Russia this time but it is close to that place, a neighboring region,” he warned.

The controversial cleric further revealed that US President Barack Obama would be rushed to hospital with a ‘health challenge’. “Pray for the president of America. I am seeing him being rushed to the hospital but he will get over it,” Joshua stated. “They should allow him to rest; he should not go for an

operation,” he also warned. “I am not talking of myself; I am talking of God.”

Joshua further prophesied a ‘militant’ attack against a highly placed political figure in Southern Africa, also specifying the nation of Kenya for prayer. “I am seeing militants are interested in embarrassing a president – either they kill him or kidnap him. That is just their objective in the Southern region– to kidnap the president, vice president or first lady of that nation.”

Continuing, the Nigerian cleric stated crisis would soon envelop the European nation of Poland, calling for prayer. “Crisis will start any moment from now. It will start with internal crisis... What is the word 16? I was made to see the nation Poland – pray for the nation,” he said.

He concluded his diverse prophetic messages by stating UK should ‘secure their country’ in lieu of the security alert issued by the UK government due to the threat of ISIS terrorists. “They should strategise and secure their country in the middle of this month – 15,16,17,18 – and the end of the month,” he said.
